WELCOME TO CAMP

Welcome to Procter Summer Camp! We are excited that you will be joining us this year. A week at Procter is filled with camp traditions and new activities, building community with friends old and new, growing in faith, and exploring the wonders of God's creation. Our staff can't wait to welcome you to camp!

This handbook provides basic, valuable information about camp life, programs and how to prepare for the coming season. Additional information along with answers to frequently asked questions are available on our website at www.proctercenter.org.

We'll see you at camp!

Blessings and Peace,
The Procter Center Staff

OUR MISSION

Procter Center provides a safe, inviting and spacious rural setting that cultivates spiritual formation, models sustainable living, and celebrates God's love and reconciliation through hospitality, prayer, study, work and play.

The goals for all participants at Procter Center are:

- Create an intentional community grounded love and care for one and other
- Foster the development of skills and community relationships
- Practice being responsible stewards of creation
- Explore creatively and have fun!

Procter Center is owned by the Diocese of Southern Ohio. Our summer camp serves children and families from Episcopal parishes in our Diocese as well as families from other denominations, other faiths, and families not following a faith tradition.

Procter does not discriminate on the basis of race, color, gender, gender identity or expression, sexual orientation, religion, national or ethnic origin, age or disability. However, Procter is not staffed as a medical treatment center. Our staff is not trained to work with campers who have severe mental, physical or emotional challenges. We do reserve the right to refuse admission to our programs in what we deem as appropriate cases.

If you have a special needs child, please schedule an interview with the camp director so that we can meet you and your child. We want to make sure that Procter Camp is good fit for both the child and for us. We are not able to give one on one attention to a camper. So, if it is a good fit and they need assistance, then we would request that you send an aid for your child to camp.

ABOUT OUR PROGRAM

Procter Summer Camp strives to be a place for all people to play, pray, learn, and grow. Procter is a ministry center of the Diocese of Southern Ohio, with camps for children, youth and families. We are part of the Episcopal Church. **Campers and staff members of all (or no) faith backgrounds are welcome.**

Mornings at camp include a fun and engaging trip to the farm to take care of the pigs, chickens, plant and harvest. Creation Care is very important aspect of the work we do at Procter, and we are excited to share that with you. Rooted in Scripture and guided by the week's theme, formation is led by camp counselors and a Chaplain. In the afternoons campers have free choice periods for recreation. Procter is home to a lake for swimming and canoeing, a pond to fish in, fields for large group games and sports, and the Red Barn to explore creatively. After dinner the campers participate in a large group activity together, followed by campfire, devotions in cabin groups, and lights out. Campers stay in a cabin with counselors and campers of similar ages.

A detailed daily camp schedule is included in the "Daily Schedule" section of this handbook.

More information about the Episcopal Church is available here: <http://diosohio.org/who-we-are/the-episcopal-church/>

PAYMENT INFORMATION

Payments

A non-refundable \$100 deposit is due at the time of registration. If requesting Campership, the deposit is \$50. If you pay in full or installments, a non-refundable deposit must accompany all registrations. All camp fees must be paid in full two weeks before the start of your session. You will receive an email reminder of fees due. Credit cards on file in CampBrain will be automatically charged at that time.

Tiered Pricing

Procter uses a tiered pricing system for Youth Camps. Procter will **always** work with families and churches to provide Campership funds to make camp available to all regardless of financial ability to pay. This fee

structure relies on the honor system, we trust you to make the best choice for your family. The rate your family pays is confidential; all campers receive the same camp experience regardless of which tier you choose.

- **Tier 1- Subsidized Cost:** This is the historically subsidized rate and does not reflect the true cost of Procter’s summer operations. The Subsidized rate is available thanks to mission share funds, Friends of Procter, and other Diocesan support.
- **Tier 2- Direct Cost:** Direct costs covers our direct program costs, camp staff salaries, food and administrative costs.
- **Tier 3- True Cost: This rate more closely accounts for the TRUE costs of camp after Diocesan support for the program.** Families who can afford to pay Tier 3 are encouraged to do so. True costs include all direct costs plus deferred maintenance, facilities costs, etc. You help Procter make needed upgrades and continue to grow in the future.
- **Campership-** For families unable to pay the Subsidized Rate. Procter and the Diocese of Southern Ohio are committed to making camp accessible for all campers, adults and children, regardless of ability to pay. Campership is supported by private donations and The Bishop’s plate collection at parish visits, when they resume. Your donations send a child or family to camp.

Our Goals for Tiered Pricing and Campership

- **Accessibility** To work towards making our camp community reflective of all the people in our Diocese, and make a camp experience possible for all families.
- **Sustainability** To ensure our camp program and facilities are sustainable for generations of campers to come.
- **Community** At Procter Camp we encourage radical hospitality, function as an intentional community, and practice welcoming each other as if we are welcoming Jesus. We believe we are modeling the way the world could be, where we live as people of faith. In this place, everyone is embraced and valued for their authentic selves, regardless of their socio-economic background.

CAMPERSHIPS

Campership - a scholarship for camp- is available for families unable to pay the Subsidized Rate. Procter will **always** work with families and churches to provide Campership funds to make camp available to all, regardless of financial ability to pay.

Campership functions on the honor system. Initially, families are asked to contribute 1/3rd of the camp fees, Procter contributes 1/3rd and ideally a parish or church sponsors the camper with the last 1/3rd.

The 1/3rd family contribution is negotiable; **however, each family is required to make some amount of financial investment.** The non-refundable deposit for campership requests is \$50. If this a barrier, please contact Robin Kimbler to establish alternative payment options.

Steps to the Campership process for Youth Camps

1. Register for camp online and indicate you are applying for Campership Assistance
2. CampBrain will prompt you to complete the “Initial Campership Request,” this is an online form, and due at time of registration.
3. Please pay the \$50 deposit online at this time.
4. Download the “Campership Planning Form” from the Procter website. Have a conversation with your clergy or parish administrator about parish financial support, if applicable.
5. Submit the “Campership Planning Form” to Procter ASAP by at least three (3) weeks prior to the start of your child’s camp week.

REFUND POLICY

- If you cancel your reservation 2 weeks (14 days) prior to the start of your session, you will receive an 80% refund, less your \$100 deposit.
- If you must cancel your reservation within the two weeks prior to camp you may apply that money to another session or event at Procter within the calendar year only.

CAMPER ARRIVAL AND DEPARTURE

You will receive an email a week before your session begins outlining arrival and camper check-in procedures. There will be staff and signage to guide you to parking and check-in. Due to other commitments; our staff are unable to accommodate early check-in’s.

During Check-In your campers will:

- Receive their cabin assignment and verify completed paperwork

Check-out

Senior High and Youth sessions conclude with a Closing Eucharist, open to all! Eucharist is a church service that includes readings, prayers, music and communion (symbolic meal of bread and wine). These services are joyful, full of music and sharing the week’s events. All are welcome to participate in any way that is comfortable to you. Families, youth ministers and clergy are all invited to attend and celebrate your camper’s time at Procter. Everyone is invited to celebrate the end of camp with us at the Closing Eucharist, but it is not mandatory.

The Closing Eucharist will be held in Christ Chapel at 9:30am. Camper check-out begins immediately after Eucharist. If you don’t attend Eucharist, please be at Procter by 10:30 to check out your camper in

Procter Camp and Conference Center • 11235 St. Rt. 38 SE • London OH 43140
740.206.2036 • proctercenter.org

the lobby of Thompson Lodge. Many families like to arrive around 9:15 to take “cabin photos” with the camper’s cabin and counselor at the picnic tables by Hobson Hall.

If for some reason you need to pick up your camper early or someone other than those that you have listed are picking up your camper, please notify the camp director in writing at aboyd@proctercenter.org.

CABIN AND BUDDY REQUESTS

Cabin requests are strongly discouraged. Camp is a time to try new things, stretch our comfort zones, and build community. If a request is made, both campers must request each other. Buddy requests can disrupt cabin bonding and make campers who didn’t arrive with a group of friends from home or church feel isolated, the opposite of what should be happening during cabin time!

We make cabin assignments based on gender and age, and percentage of campers from the same church parish, among other factors. Siblings typically are not placed in the same cabin, unless instructed otherwise by the parent/guardian.

Our program is very centralized; all campers are interacting with each other throughout the day. Specific cabin-time is an hour after lunch and before bed, otherwise we are doing activities together as a large group, or campers have option to sign up for an activity with their friends.

ABOUT OUR STAFF

Our counselors and leadership staff love summer camp! Many of them grew up at Procter, and some come to us from other strong camp programs. All counselors are 18 years old or older. They are subject to a rigorous application process, which includes: interviews, reference calls and background checks.

Procter holds a ten-day training for camp staff prior to the beginning of the camp season. Camp Staff Training lays the groundwork for the summer as a whole, we begin the process of group bonding and establish norms of the community. Counselors are trained in communication skills, childhood developmental stages, establishing an inclusive cabin culture, our camp discipline procedures, abuse prevention and identification, anti-racism training and cultural competency. Additionally, they map out the workshops for the summer, practice our Emergency Action Plan, and are CPR/First Aid certified. We also (try to!) sing all the songs in the songbook and practice having a lot of fun!

Support Staff

Each week Chaplains, clergy from the Diocese of Southern Ohio, and a Health Care Professional (HCP) join the staff to support the work of the counselors. Clergy facilitate camp worship. The HCP, typically a nurse, dispenses medication and monitors staff and camper health. These adult staff are dedicated to our program and have a passion for camp ministry.

Visit the camp website for more information about our staff, including job descriptions. Staff will be introduced on social media in the spring.

WHAT SHOULD MY CAMPER BRING TO CAMP?

Please review the packing list below. At camp we are outside in the heat, play games in the grass, get dirty volunteering on the Farm, and swim in a lake. In general campers are most comfortable in casual clothes (athletic shorts and T shirts, for example). Our cabins have 6 cozy bedrooms with a single bed and a bunkbed in them. Cabins have a whole house fan in the ceiling, but many campers also choose to bring small fans for their room. To provide easy storage in the cabin some campers like to pack in a plastic storage bin or tote instead of suitcases.

Special Notes

- Tie Dye- **Bring a white shirt** if your camper would like to tie-dye.
- Campers may camp overnight at the outdoor adventure campground on Procter property. **Pack a sleeping pad for camping, if you have one.** If your camper typically brings sheets and a blanket to camp, they will need a sleeping bag instead or in addition. Procter has a supply of sleeping bags, contact Amy Boyd at aboyd@proctercenter.org if your camper needs one, or you'd like to donate a sleeping bag or sleeping pad to the program.

Please mark clothes and possession with your camper's name!

COMMUNICATION

Office Communication

The Procter office is staffed during normal business hours throughout the summer.

Amy Boyd
aboyd@proctercenter.org
For afterhours emergencies

We understand that for many families camp will be the longest separation you may have had from your child, send them mail and encourage them to write to you! You are welcome to email if you have concerns about your camper. Know that volume of email during the summer is high, and if there is a need to be in contact about a camper concern the Camp Director will reach out to you.

Mail and care packages

Communicating with your camper by snail mail is one of the joys of the camp experience! Mail is passed out daily, generally after lunch. Campers are encouraged to write to their family and friends, consider sending them with self-addressed, stamped envelopes.

Address mail (USPS, UPS and FedEx) as:

Your Campers Name and Session
c/o Procter Camp
11235 State Route 38 SE
London, OH 43140

Emailing your camper

If you prefer to send an email to your camper, your messages will be printed out daily and distributed with camp mail. Campers will not be able to reply via email.

Address your emails to camp@proctercenter.org, with “Camp Mail for ___your camper’s name___) in the subject

Some guidelines for camp mail, especially for younger or first-time campers:

If you send mail to Procter you are encouraged to post it **before** your session begins, to ensure it arrives while your child is at camp. Alternatively, you can drop off letters, cards and packages discretely at the check-in table and they will be distributed throughout the camp session. Please read the “Preventing Homesickness” section of this handbook for suggestions for camper mail.

Do not send food or candy to your camper. Food or candy is not allowed outside our Dining Hall, due to life-threatening allergies in the community and rodents being attracted to the cabins. Don’t worry, we’re not going hungry at Procter. Campers get three great meals (with dessert!) and a daily snack. **Any food or candy in care packages will be confiscated and returned to your camper at the end of the session.** If you’d like to send a care package in place of candy you might send: stickers, bubbles, cards or a game, Sudoku or crossword pad, photos, chapsticks, or knick knacks from the Dollar Store

Phone calls

Except in extreme circumstances (family emergency, recent trauma, medically necessary communication, for example) campers are not permitted to receive phone calls or call home during camp. We find that calls from home greatly increase homesickness. Please do not promise your camper they can call home or you will call them. Encourage them to write letters instead.

HEALTH AND WELLNESS

All sessions have a healthcare professional on site as part of the staff. Each camper will meet them and review their Camper Health History as part of the check-in process.

Medications

Prescription medications will not be given without the explicit direction of a physician. All prescription medication must be checked in with the camp Health Care Professional(s) on the first day of the session. Please do not bring day of the week pill containers. ***All prescription medications must be in their original containers, with camper’s name, defining dosage and frequency.***

Over the Counter Medications

Over the counter medications brought to camp must also be checked in with camp Health Care Professional. We keep a variety of OTC medications in the Healthcare Center that the Health Care Professional can be dispensed to a camper if needed.

Parent/Guardian Notifications

Parents or guardians will be notified if a child spends more than 8 hours in the Health Center or in the event of a change in wellness status (e.g. vomiting, temperature over 100.4F, head injury, breathing difficulty, loss of consciousness, and change in ability to fully participate).

Medical Treatment

In the event that a camper needs medical attention beyond the scope of the Health Care Professional and our Health Center, campers will be transported by two staff members to Madison Health in London OH, or urgent care in London, OH. Other facilities may be utilized if necessary. If it is not safe to transport a camper, or it is a life threatening medical emergency, 911 will be called. The camper's emergency contacts will be notified if a camper is in need of transport for medical treatment.

PREVENTING HOMESICKNESS

Parents have a vital role in helping their camper enjoy camp! Many campers, both first-time and returning, will experience some form of homesickness. These feelings are normal for campers of all ages. Homesickness can be shown through physical symptoms, strong emotions, or both. These feelings are often strongest at the beginning of the week, at mealtimes, and at rest times.

Our goal is to help your camper enjoy their time away from home. Our staff are trained to encourage camper participation in activities and are also equipped with ways to provide love, comfort, and care to campers who miss home. Campers are encouraged to write and talk about their feelings, but not to focus on them.

Preventing homesickness begins before camp! Here are some tips to help you prepare your camper and prevent homesickness.

Do's	Don'ts
Do make sure campers know they will have a wonderful time.	Don't worry too much. Even if they are homesick, campers are having a positive experience.
Do talk openly about homesickness. Explain that it is normal to miss home, but you know they can handle it.	Don't tell your camper that you will call or visit during the camp week. If you are worried, you can call and talk to the Camp Director.
Do write encouraging and enthusiastic letters to be delivered during camp. Tell your campers that you want them to have a good time and can't wait to hear all about their new experiences.	Don't emphasize how much you will, or do miss your camper, either when saying goodbye or writing letters. Don't emphasize homesickness so much that your camper expects it.
For younger children, do make sure they know how to take care of their basic needs and personal hygiene.	Don't promise to pick up your camper immediately if they are homesick.
Do make sure your camper knows where all their items are packed. Let them gather the things they need, and you check to make sure they have everything and then let them pack the bag.	Don't let your camper have a cell phone at camp. Don't encourage your campers to call home if they aren't having a good time. This just teaches them that it is okay to break the rules and they will not give camp a chance.

By staying at camp and participating, even when they are homesick, campers grow in confidence and independence. We make every effort to keep your camper at camp. If your camper's homesickness is severe or disruptive to the camp environment, parents and guardians will be contacted.

COMMUNITY COVENANT

Please review the Community Covenant with your camper. Each cabin signs a Community Covenant together on the first night of camp, and we explain behavior expectations as a large group. These norms are non-negotiable. If your camper cannot follow these norms they will be dismissed from the program, and you will be asked to pick them immediately, day or night, with no refund.

Procter Summer Camp Community Covenant

Camp is a community governed by respect of the **people, program and place**.

I agree to respect the **people** at camp by:

- Respecting the dignity of every person at camp, that we might be leaders in showing Christ's love to each other.
- Refraining from fighting, aggression, dangerous physical or violent behavior that may endanger me, and/or others
- Refraining from lewd, crude, or socially unacceptable behavior (verbal/physical)

I agree to respect the **program** at camp by:

- Participating in the camp program and schedule, to the best of my ability
- Engaging with fellow campers and being an active part of the community.
- Being welcoming to campers and counselors from all backgrounds and faith traditions.
- Understanding it is my counselors' job to to keep me safe, and following their direction.

Procter is holy ground. I will respect the **place** of Procter Camp and Conference Center by:

- Remaining in my assigned sleeping area or cabin after lights out/quiet time
- Adhering to boundaries communicated by the staff, not entering "off limits areas"
- Understanding that smoking is not permitted at any diocesan sponsored youth program.
- Refraining from consuming, bringing or carrying any alcohol, non-prescription drugs, firearms, knives, fireworks or weapons at any time during camp and on camp property.

Should it become necessary to send my child home for breaking of any of these community standards, I/we agree to come pick them up - day or night - upon notification from the Camp Director. We understand and accept the **non-negotiable** community regulations. The camp fee is non-refundable if the camper is sent home.
